Dear Mr. Lawrence:

To the best of my ability to predict, I will be here between the dates of March 30 and April 2. By the time your plans are more definite, I should know if anything will take me away.

My New Orleans book is nearing completion, and that could do it. I have been asked to go th New Orleans and that could. But it is my plan to be home at the time you specify.

If you drive from Chicago, we are on the way to Washington.

Sincerely,

Harold Weisberg
